

## **WELCOME**

Thank you for choosing to participate in the OSI-CAN Healing with Horses Couples Reset at The Being Among Horses Farm Rustic Blue Ranch. Our BEING AMONG HORSES equine therapy program offers unmounted equine therapy sessions with our beautiful equine partners (horses and donkeys), plus we have created a safe nature-based environment for you to explore and benefit from.

We aim to make your experience a memorable one.

## **FARM RULES**

We choose to provide an environment where all beings are respected.

With regards to horses:

- Anyone under the age of 18 years old must wear a helmet
- No tying of horses to the round pen or panels (posts in the ground are the best option)
- No smoking, lighters, matches or anything flammable on premises
- No running, screaming or jumping around the horses (especially while working around horses)
- No personal animals unless you have a certified service dog

With regards to the equipment and location:

- If you or your horse makes a mess, clean it up
- If you use it, take care of it
- If you borrow it, return it
- If you open it, close it
- If you move it, put it back
- If you turn it on, turn it off
- If you break it, tell someone
- If it doesn't concern you, mind your own business.

## **DRESS CODE**

Dress in clothing suitable and comfortable to work around horses in as well as easy to wash and repair if soiled or torn. Proper attire for the current weather conditions, as we will be outside for all exercises. Take into consideration heat, sun, wind, rain, etc.

Comfortable sleeve t-shirts are ideal, although too baggy and they might get caught or hang up on something, then you could get injured.

Comfortable jeans are good, wear pants appropriate to working around horses. Remember if they are too loose or baggy they could get caught on something and easily torn.

Shoes need to be closed and protective (no open toed shoes).

Dress modestly. The management and team members will be respectful of you as an individual, please be respectful of them in return. Management and team members will stand next to you for assistance, so dress with not only safety in mind but modesty as well. For example, low cut jeans are currently in fashion and stylish, although when you are working with horses, it is easy for them to slide down and show too much. The same is true with low cut blouses, bending over to brush a horse, pick up a foot or pick up hay can easily show more than intended in this type of environment and activity. Remember, farms can be dirty and a tough environment on clothing; don't wear something that will be destroyed if it gets stained, torn or damaged.

## **CONFIDENTIALITY**

Confidentiality is a respected part of Being Among Horses code of ethics. We understand that you may feel the need to talk about private and revealing information, and that you need a safe place to talk about anything you would like, without fear of that information leaving the room. We take your privacy very seriously.
